Accommodation on the University campus

En suite conference accommodation is located in the Harrow Campus, University of Westminster, which is in the same building as the conference rooms. Rooms are supplied with all bed linen and towels. They can be booked along with conference registration.

Please note there is limited room availability in Harrow Campus and should be booked early along with registration.

Hotel accommodation

The conference venue is close to London city centre. London has many hotels of different categories, and several are within walking distance of the conference. Delegates staying in hotels are responsible for arranging and paying for their accommodation directly with the hotel or booking agent, and will need to make their own transport arrangements to and from the conference. The following link provides a list of hotels close to the Conference Centre <http://ieeis06.wmin.ac.uk/hotels> and will be available soon.
